sometimes this responsibility even makes me feel the ugly side of me as a human being;

understand the responsibility but really don't like to do it

mymedcert.com

what exactly should i do to affected area with osmia products? should i ditch topicals ?

medfirstsanmarcos.com

the dha/epa in fish oil will effectively increase the production and quality of the meibomian glands secretions, which leads to the increased stability of the anterior surface of the tear film
